Bugs fixed in this release 3
Error when reporting on products without a specific permission 3

# Introduction

These software release notes cover all system modifications for version MKv5 6.23.1 of the eKeeper CRM system.

The release notes list the new features, bug fixes and known issues provided in this release and are aimed at operational users of the system. These release notes do not aim to go into technical detail about specific changes or to be the basis for system testing plans.

# Testing of the Release

Testing for this release was carried out in accordance with the test plans as created by the eKeeper Quality Assurance Team.

# Bugs fixed in this release

This section lists identified bugs that have been fixed in this release.

## Error when reporting on products without a specific permission

| Issue Number | Feature Description |
| --- | --- |
| MKV5-2849 | Fix to issue causing searches to fail if the user doesn't have permission to see all products |
